

**FIND IDEAL SOLUTIONS** among the Convatec portfolio of GentleCath™ and Cure Medical intermittent catheters for men, women, and children. Innovative options feature advanced technologies designed to provide a safe, clean, fast, and convenient cathing experience.

Contact your Convatec Continence Care Representative for information and product samples.

## GentleCath™

GentleCath™ catheters with FeelClean™ Technology offer a fast, clean, comfortable cathing experience. Hydrophilic properties are integrated into GentleCath™ catheters with FeelClean™ Technology enabling instant activation of a smooth, slippery surface for comfortable, low friction use - with no sticking. Additionally, there is minimal mess and residue left behind as a result of FeelClean™ Technology.\*

There is a wide variety of Cure Medical catheter options to meet various needs and preferences. All Cure Medical catheters feature smooth, polished eyelets for comfort. They are not made with DEHP/DINP, BPA, or NR-Latex for safety and peace of mind. Additionally, Cure Medical catheters uniquely combine 'Upgrade Quality' features with 'Reimbursement Friendly' availability. See the back of this sheet for ordering information.
